

Shop Helper/General Laborer

Date Posted: 2026

Compensation: Starting pay \$18/HR - Based on experience

Employment Type: Part-Time

Hours/Days of work: 20-30hrs/week, First Shift, Monday – Friday (8am - ??) Hours vary depending on workload

Duties & Responsibilities: We are looking for Shop Helper who is self-motivated, energetic, eager to learn, willing to work hard, and a fast learner who can follow directions.

Work to include (but not limit to): Assisting with specified duties involving physical labor at our shop and/or other property locations (company vehicle provided to and from our shop). Miscellaneous yard work such as mowing, weeding, clean-up and general maintenance of our properties. Organizing & cleaning of our shop, picking up materials, hauling equipment and running errands when needed. Operating hand and power tools of all types, lawn mowers & construction equipment.

Experience Desired:

Experience doing yard work and building maintenance would be helpful, but we are willing to train. You must have a valid driver's license, be able to read a ruler and use hand tools, be physically able to perform job (climb ladders, lift & pull 50+ lbs. etc.).

To Apply:

You may stop by our office and fill out an application, email or send us your resume **with wage requirements and detailed work history** (start/end dates & pay, supervisor name & phone number, reason no longer employed/leaving) to:
